International Journal of GYNECOLOGY & OBSTETRICS

Subject index

Volume 51 (1995)

Accreta; Placenta previa; Previous cesarean section **51**, 25

Actinobacillus actinomycetemcomitans; Septicemia; Pregnancy **51**, 57

Adenomyosis; Leiomyoma; Familial cases; Oncomarkers **51**, 127

Adolescent health; Middle East; North Africa **51**, 151

Africa; Case-control study; Stillbirth; *Escherichia coli*; Syphilis; Group B streptococci; *Chlamydia trachomatis*; HIV **51**, 211

Amniocentesis; Phospholipid profile; Tap test; Shake test; Prematurity; Fetal lung **51**, 39

Anemia; Cavernous hemangioma; Arteriovenous malformation; Uterus; Hysterectomy **51**, 159

Anteparum bleeding; Placental abnormalities; Zonary placenta **51**, 251

Arteriovenous malformation; Cavernous hemangioma; Uterus; Anemia; Hysterectomy **51**, 159

Bilateral tubal pregnancy; Laparoscopy; Inflammatory pelvic disease **51**, 259

Body stalk anomaly; Prenatal diagnosis; Ultrasound **51**, 49

Breast feeding; Perinatal statistics; Global macroethical problems; Population growth and control; Priorities in maternal and infant care; Training of traditional birth attendants **51**, 205

Case-control study; Stillbirth; *Escherichia coli*; Syphilis; Group B streptococci; *Chlamydia trachomatis*; HIV; Africa **51**, 211

Catamenial pneumothorax; Danazol; Endometriosis **51**, 263

Cavernous hemangioma; Arteriovenous malformation; Uterus; Anemia; Hysterectomy **51**, 159

Cervical cells; HPV infection; Polymerase chain reaction; Cervical dysplasia **51**, 43

Cervical dysplasia; Cervical cells; HPV infection; Polymerase chain reaction **51**, 43

Chlamydia trachomatis; Case-control study; Stillbirth; *Escherichia coli*; Syphilis; Group B streptococci; HIV; Africa **51**, 211

Chlamydia trachomatis; Infertility; Direct fluorescence assay **51**, 225

Chronic ectopic pregnancy; Methotrexate treatment; Persistent ectopic pregnancy; Laparoscopic treatment of ectopic pregnancy **51**, 247

Coitus; Vagina; Puborectalis; Reflex; Erection **51**, 61

Conservative management in a young patient; Ovarian cancer **51**, 147

Cost-benefit; Menopause; Urogenital **51**, 1

Danazol; Catamenial pneumothorax; Endometriosis **51**, 263

0020-7292/95/$09.50 © 1995 International Federation of Gynecology and Obstetrics

Direct fluorescence assay; *Chlamydia trachomatis*; Infertility **51**, 225

Dysfunctional uterine bleeding; Endometrial carcinoma; Endometrial ablation **51**, 255

Early pregnancy; Progesterone; Estradiol; Human chorionic gonadotropin **51**, 33

Endometrial ablation; Endometrial carcinoma; Dysfunctional uterine bleeding **51**, 255

Endometrial cancer; Synchronous cancers; Ovarian cancer **51**, 141

Endometrial carcinoma; Endometrial ablation; Dysfunctional uterine bleeding **51**, 255

Endometriosis; Catamenial pneumothorax; Danazol **51**, 263

Erection; Vagina; Puborectalis; Reflex; Coitus **51**, 61

Escherichia coli; Case-control study; Stillbirth; Syphilis; Group B streptococci; *Chlamydia trachomatis*; HIV; Africa **51**, 211

Estradiol; Early pregnancy; Progesterone; Human chorionic gonadotropin **51**, 33

Estriol; Ipriflavone; Osteoporosis; Phytoestrogen **51**, 63

Familial cases; Leiomyoma; Adenomyosis; Oncomarkers **51**, 127

Fetal lung; Phospholipid profile; Tap test; Shake test; Prematurity; Amniocentesis **51**, 39

Fetus; Hydrocephalus; Lateral ventricles; Sonography **51**, 123

Gestational diabetes mellitus; Prevalence; Screening **51**, 115

Global macroethical problems; Perinatal statistics; Population growth and control; Priorities in maternal and infant care; Training of traditional birth attendants; Breast feeding **51**, 205

Group B streptococci; Case-control study; Stillbirth; *Escherichia coli*; Syphilis; *Chlamydia trachomatis*; HIV; Africa **51**, 211

Heart disease; Pulmonary hypertension; Pregnancy **51**, 109

HIV; Case-control study; Stillbirth; *Escherichia coli*; Syphilis; Group B streptococci; *Chlamydia trachomatis*; Africa **51**, 211

HPV infection; Cervical cells; Polymerase chain reaction; Cervical dysplasia **51**, 43

Human chorionic gonadotropin; Early pregnancy; Progesterone; Estradiol **51**, 33

Hydrocephalus; Lateral ventricles; fetus; Sonography **51**, 123

Hysterectomy; Cavernous hemangioma; Arteriovenous malformation; Uterus; Anemia **51**, 159

Improvement; Intrauterine growth retardation; Recurrence; Small for gestational age; Severity **51**, 219

Infertility; *Chlamydia trachomatis*; Direct fluorescence assay **51**, 225

Inflammatory pelvic disease; Bilateral tubal pregnancy; Laparoscopy **51**, 259

Intrauterine growth retardation; Recurrence; Small for gestational age; Severity; Improvement **51**, 219

Ipriflavone; Estriol; Osteoporosis; Phytoestrogen **51**, 63

Laparoscopic treatment of ectopic pregnancy; Chronic ectopic pregnancy; Methotrexate treatment; Persistent ectopic pregnancy **51**, 247

Laparoscopy; Bilateral tubal pregnancy; Inflammatory pelvic disease **51**, 259

Lateral ventricles; Hydrocephalus; fetus; Sonography **51**, 123

Leiomyoma; Adenomyosis; Familial cases; Oncomarkers **51**, 127

Lichen sclerosus; Vulva; Squamous cell hyperplasia; Medical treatment **51**, 235

Low birth weight; Maternal smoking; Risk factors **51**, 5

Lymph nodes; Ovarian cancer; Lymphadenectomy; Prognosis; Recurrence **51**, 133

Lymphadenectomy; Ovarian cancer; Lymph nodes; Prognosis; Recurrence **51**, 133

Lymphadenectomy; Ovarian cancer; Serous; Second reductive surgery **51**, 239

Macrosomia; Uterine torsion; Pregnancy **51**, 59

Maternal smoking; Low birth weight; Risk factors **51**, 5

Medical treatment; Vulva; Lichen sclerosus; Squamous cell hyperplasia **51**, 235

Menopause; Cost-benefit; Urogenital **51**, 1

Methotrexate treatment; Chronic ectopic pregnancy; Persistent ectopic pregnancy; Laparoscopic treatment of ectopic pregnancy **51**, 247

Middle East; Adolescent health; North Africa **51**, 151

North Africa; Adolescent health; Middle East **51**, 151

Oncomarkers; Leiomyoma; Adenomyosis; Familial cases **51**, 127

Osteoporosis; Estriol; Ipriflavone; Phytoestrogen **51**, 63

Ovarian cancer; Conservative management in a young patient **51**, 147

Ovarian cancer; Lymph nodes; Lymphadenectomy; Prognosis; Recurrence **51**, 133

Ovarian cancer; Lymphadenectomy; Serous; Second reductive surgery **51**, 239

Ovarian cancer; Synchronous cancers; Endometrial cancer **51**, 141

Ovarian tumor; Serum neopterin; Serum CA 125 **51**, 229

Perinatal statistics; Global macroethical problems; Population growth and control; Priorities in maternal and infant care; Training of traditional birth attendants; Breast feeding **51**, 205

Persistent ectopic pregnancy; Chronic ectopic pregnancy; Methotrexate treatment; Laparoscopic treatment of ectopic pregnancy **51**, 247

Phospholipid profile; Tap test; Shake test; Prematurity; Fetal lung; Amniocentesis **51**, 39

Phytoestrogen; Estriol; Ipriflavone; Osteoporosis **51**, 63

Placenta; Sonography; Uterine scar dehiscence **51**, 53

Placenta previa; Accreta; Previous cesarean section **51**, 25

Placental abnormalities; Zonary placenta; Anteparum bleeding **51**, 251

Polymerase chain reaction; Cervical cells; HPV infection; Cervical dysplasia **51**, 43

Population growth and control; Perinatal statistics; Global macroethical problems; Priorities in maternal and infant care; Training of traditional birth attendants; Breast feeding **51**, 205

Pregnancy; *Actinobacillus actinomycetemcomitans*; Septicemia **51**, 57

Pregnancy; Pulmonary hypertension; Heart disease **51**, 109

Pregnancy; Uterine torsion; Macrosomia **51**, 59

Prematurity; Phospholipid profile; Tap test; Shake test; Fetal lung; Amniocentesis **51**, 39

Prenatal diagnosis; Body stalk anomaly; Ultrasound **51**, 49

Prevalence; Gestational diabetes mellitus; Screening **51**, 115

Previous cesarean section; Placenta previa; Accreta **51**, 25

Priorities in maternal and infant care; Perinatal statistics; Global macroethical problems; Population growth and control; Training of traditional birth attendants; Breast feeding **51**, 205

Progesterone; Early pregnancy; Estradiol; Human chorionic gonadotropin **51**, 33

Prognosis; Ovarian cancer; Lymph nodes; Lymphadenectomy; Recurrence **51**, 133

Puborectalis; Vagina; Reflex; Coitus; Erection **51**, 61

Pulmonary hypertension; Heart disease; Pregnancy **51**, 109

Recurrence; Intrauterine growth retardation; Small for gestational age; Severity; Improvement **51**, 219

Recurrence; Ovarian cancer; Lymph nodes; Lymphadenectomy; Prognosis **51**, 133

Reflex; Vagina; Puborectalis; Coitus; Erection **51**, 61

Risk factors; Maternal smoking; Low birth weight **51**, 5

Screening; Gestational diabetes mellitus; Prevalence **51**, 115

Second reductive surgery; Ovarian cancer; Lymphadenectomy; Serous **51**, 239

Septicemia; *Actinobacillus actinomycetemcomitans*; Pregnancy **51**, 57

Serous; Ovarian cancer; Lymphadenectomy; Second reductive surgery **51**, 239

Serum CA 125; Serum neopterin; Ovarian tumor **51**, 229

Serum neopterin; Serum CA 125; Ovarian tumor **51**, 229

Severity; Intrauterine growth retardation; Recurrence; Small for gestational age; Improvement **51**, 219

Shake test; Phospholipid profile; Tap test; Prematurity; Fetal lung; Amniocentesis **51**, 39

Small for gestational age; Intrauterine growth retardation; Recurrence; Severity; Improvement **51**, 219

Sonography; Hydrocephalus; Lateral ventricles; fetus **51**, 123

Sonography; Uterine scar dehiscence; Placenta **51**, 53

Squamous cell hyperplasia; Vulva; Lichen sclerosus; Medical treatment **51**, 235

Stillbirth; Case-control study; *Escherichia coli*; Syphilis; Group B streptococci; *Chlamydia trachomatis*; HIV; Africa **51**, 211

Synchronous cancers; Endometrial cancer; Ovarian cancer **51**, 141

Syphilis; Case-control study; Stillbirth; *Escherichia coli*; Group B streptococci; *Chlamydia trachomatis*; HIV; Africa **51**, 211

Tampon; Vaginal ulceration **51**, 261

Tap test; Phospholipid profile; Shake test; Prematurity; Fetal lung; Amniocentesis **51**, 39

Training of traditional birth attendants; Perinatal statistics; Global macroethical problems; Population growth and control; Priorities in maternal and infant care; Breast feeding **51**, 205

Ultrasound; Prenatal diagnosis; Body stalk anomaly **51**, 49

Urogenital; Menopause; Cost-benefit **51**, 1

Uterine scar dehiscence; Sonography; Placenta **51**, 53

Uterine torsion; Pregnancy; Macrosomia **51**, 59

Uterus; Cavernous hemangioma; Arteriovenous malformation; Anemia; Hysterectomy **51**, 159

Vagina; Puborectalis; Reflex; Coitus; Erection **51**, 61

Vaginal ulceration; Tampon **51**, 261

Vulva; Lichen sclerosus; Squamous cell hyperplasia; Medical treatment **51**, 235

Zonary placenta; Placental abnormalities; Anteparum bleeding **51**, 251
